

BSC Draft Activity Plan 2010–2011

The BSC should:

- Make our Baltic Sea input on open EU consultations that have relevance to our region and organisation;
- Develop BSC through the work of our thematic work groups, drawing together our regions ability to present papers that bring new perspectives;
- Further develop the co-operation with Baltic Sea organisations as well as with other CPMR commissions;
- Review a possible solution for alternative membership in countries where the regional level is disappearing. Target: The BSC should be able to have members from all regions around the Baltic Sea;
- Lift forward the **Northern Dimension** in our answers;
- Strive to include **Russia** in the development of the Baltic Sea Region;
- **Disseminate how the financial situation** could be strengthened;
- **Follow-up on the implementation of the Baltic Sea Strategy Action Plan (BSSAP)**
BSC should be prepared to present a regional evaluation of the first 9 months of the BSS period at the first BSS follow-up meeting in the Autumn of 2010;
- **Influence the Territorial Cohesion Policy;**
- **Influence the TEN-T;**
- **Influence the neighbouring policy** – specially noting the importance of include none EU-member regions in Eastern Europe;
